Dear APABA members, supporters, and friends:

APABA is closely monitoring the current COVID-19 pandemic and is observing recommendations from the Centers for Disease Control and Prevention (CDC) and the Florida Department of Health. In the best interest of our community's health and safety, and following the CDC's recommendation of postponing in-person events consisting of fifty or more people, APABA is postponing its upcoming events, including the following:

- Exploring History: The Chinese Exclusion Act (Saturday, March 21)
- Law Student Mentoring Reception (Thursday, March 26)
- Film Screening and Panel Discussion of ALTERNATIVE FACTS: The Lies of Executive Order 9066 (Thursday, May 7)

We will continue to provide updates regarding the status of future and rescheduled events.

In the meantime, APABA encourages everyone to continue to practice good general prevention techniques and to consult the websites of the CDC (www.cdc.gov) and Florida Department of Health (www.floridahealth.gov) for updates regarding COVID-19.

Please stay safe and healthy and let's do our part to minimize the transmission of COVID-19.

Best wishes,

Sandy Chiu

Sandy Chiu
APABA President
